

Present – Cindy, John & Beth

## Board Meeting - Range Walk Through

1. Range Rule Signs – Have been installed
2. Construction – Crew learned we are not a true 100 yds. We are sitting at 92 yds what do we want to do?

John – We advertise we are 100, and we aren't?

Cindy – no the berm has sluffed off and nobody must have ever remeasured.

Beth – what is this going to set us back.

Cindy – he wants \$6000; So far our change orders have been fixing the wall, adding the bathroom pad / kneeling prone station. Do we add this?

Beth – if we advertise, we are 100, we better get that fixed while he is doing it.

John – that will take us into our reserves.

Beth – I don't mind fronting the money to cover to make sure it is done right while we are at it.

John – how would we do that?

Beth – we could do a Promissory note or something like that.

John – that sounds like the way to go.

**Action: Make 100 yd line a true 100 yd line, Beth and John work out what we need to financially, signing Promissory Note**

3. First Aid Kits – are here, ready to install
4. Dualling Trees – ordered two, one came in damaged sent back, will have available when we open to be portable and able to move out when we reopen.
5. Gongs - Pacific Steel will have gong system ready for pickup. John offered to pick up and make a Costco run at the same time.
6. Insurance – Owsley Insurance sent out policy for review – There are items on policy that we don't own and building values are exceptionally high... Beth spoke with Jackie, she wants everything reviewed, updated and pictures taken of everything too! John will swing by and check in with her as well.
7. Firearms – Cindy - Members have asked where club firearms are at?  
John – I can ask around.  
Cindy – I was told we have rifles, shotguns?  
John - You really don't want to go there... really you don't.
