

⚡ Power Up Your Property with EV Charging Install Tesla Destination Station with Incentives and Rebates!

Frequently Asked Questions

1. What is the Georgia Power Make Ready Program?

It's an incentive program that helps businesses and property owners cover the infrastructure costs of installing EV charging stations. Georgia Power pays for part (or all) of the electrical upgrades needed.

2. What are Tesla Destination Chargers?

Universal Tesla Destination Chargers are **Level 2 Universal EV chargers that work with all Teslas and non-Tesla vehicles.**

Perfect for hotels, apartments, workplaces, and retail centers.

3. How much of the installation is covered?

- Georgia Power typically covers the “make-ready” work (electrical service, conduit, panels, etc.).
- The property owner usually pays for the chargers and installation.
- Out-of-pocket costs are often reduced by 50–80% with Georgia Power Make Ready.

4. Who qualifies?

Properties such as:

- 🏨 Hotels & resorts
- 🏛️ Municipal & government sites
- 🏠 Apartments & condos
- 🍽️ Retail centers & restaurants
- 🏢 Office parks & workplaces

5. What if I don't want to invest?

With **Estream USA's Ownership Program**, we can own and operate the charging stations at your property. **That means \$0 cost to you**—and you still attract EV drivers to your location. (Must be in Georgia Power utility zone)

6. What's the process?

1. Site Evaluation – We check your property's capacity.
2. Application – Estream submits your request to Georgia Power.
3. Approval – Utility confirms funding.
4. Installation – We install the infrastructure + chargers.
5. Activation – Stations go live and ready to use.

7. How long does it take?

Most projects take 8–12 weeks from application to activation.

8. What are the benefits for my property?

- Attract EV-driving tenants, guests, and customers.
- Increase property value and future-proof your site.
- Take advantage of Georgia Power's “Make Ready Program”.
- Offer a sustainable, green amenity at little or no cost.

✅ Why Choose Estream USA?

- We handle everything—rebates, paperwork, installation, activation.
- Option for property-owner invest and own the chargers OR **pay \$0 with Estream ownership.**
- Certified installer of Tesla Destination universal chargers.
