A MEAL WITH MEANING.

Following the Facts to Freedom for All

Sounds of Freedom: *Music at the Table*

Like a sacred thread, music, the universal language, moves us beyond narrative.

This year's Freedom Table on July 1 includes:

- Steel Drum will remind us that beautiful things can come from jagged edges.
- Cantor voice will guide us through memory of the wilderness on the journey to the Promised Land.
- Flute will remind us of the grief of our Indigenous ancestors who lost everything.
- Vocalist will sing of the broken promises to Immigrants on the Statue of Liberty.
- Praise Team will sing of sorrow that rose from fields of the enslaved seeking freedom.
- Young people will inspire us to keep up the good fight for freedom through a climactic finale to acknowledge the journey is far from over.

This isn't just music. It's testimony. It's truth-telling. It's the sound of freedom calling us to the table. **Early bird pricing ends at midnight**, May 31, so get your tickets now!
