

A MEAL WITH MEANING.

Following the Facts to Freedom for All

The Flavors of Freedom

Have you looked closely at our Freedom Table logo? It's more than a fork and spoon. It's a story—not just any story. It's our story. The fork and spoon remind us that Freedom Table is a shared meal. Blue represents trust, loyalty, wisdom, confidence, and truth. Gold symbolizes success, achievement, and excellence. Together, they represent trust and achievement — two core values of Freedom Table. The counter-clockwise movement signifies unwinding or undoing harm, reversing patterns that, directly or indirectly, have been destructive to all of us. The flow begins with acknowledging the humanity of every person (heart), to working for the good of each one of us (hand), to a more honest telling of our national story (book), and ultimately toward the achievement of peace and freedom for all (dove). The logo embodies the journey Freedom Table invites us to take — individually and communally— as we gather, remember, and reimagine what *liberty and justice for all* truly means.

Special thanks to Tyler Zirger for the design and to the [Two Forty-Two Network](#) in Tulsa, Oklahoma, for generously funding it. Their support helped us capture the spirit of Freedom Table in an image that speaks louder than words.

We invite you to be part of this powerful movement. Tickets are on sale now — Come take your seat at Freedom Table 2025!
