

Following the Facts to Freedom for All

Welcome to the **Inaugural Freedom Table Newsletter!**

Freedom Table is more than a meal—it’s a movement. Each year, through communal gathering, storytelling, and deep conversation, we open space to reflect on the intricacies of American history—its triumphs and tragedies. We embrace the whole story, not to dwell on the past, but to reimagine freedom—not as an abstract ideal, but as a lived reality for all people.

In each edition of this newsletter, we’ll explore complexities, celebrate resilience, and challenge ourselves to think critically, engage meaningfully, and take action toward justice. This is a space for learning, unlearning, and relearning—equipping ourselves with the knowledge and insight needed to pursue true freedom and justice for all. Let’s follow the facts, embrace the full story, and walk the path to freedom—together.
