## AVA MONTGOMERY

Ava Montgomery is the founder of Conscious Media Consulting, LLC and author of: ***Listen-In! Watch-Out! Word-Up!: A Guide to Understanding and Developing Conscious and Comprehensive Media Literacy Skills for Media-consumers and Media-makers.***

She is also an experienced Leadership Development Trainer for Corporate and Non-Profit business sectors.

Ava has an engaging written and verbal style of delivery that enlightens and inspires audiences to be interested in developing or enhancing comprehensive media-literacy skills.

“From media-consumers, to media-makers to media-sponsors and promoters, media-creation needs conscious media-creators and they will benefit from what author, Ava Montgomery has to say about it!”

Media can be made in ways that address social issues and brings justice to them. Media can also be made in ways that impede or perpetuate social injustices.

Ava brings up-to-date considerations on the influence of media on many of today’s most pressing social issues that create challenges to peace and harmony.

Parents, Educators, Media-makers creating media on behalf of a company or free-lancers who seek to demonstrate social consciousness in media-consumption and media-creation, will be empowered by Montgomery’s customized talks.

She speaks to all positions on the continuum of media-

influencers about the integral role they can have in creating media that uplifts and reflects accuracy in narratives.

Ava Montgomery has the knowledge, experience, and ability to speak with compassionate and diplomatic candidness about media representation.

Ava demonstrates cultural and conscious competency that helps her connect with and engage her audience in meaningful discussions about media literacy and social issue discourses.

Participants will be informed by thoughts about the importance of Conscious and Comprehensive Media Literacy.

Everyone has the power to influence media positively and to use the power of media influence constructively. Ava provides thoughtful discourse no matter where one is on that journey.

Ava can provide television and radio commentary on media discourse regarding representation and social-justice issues. She can customize a speaking engagement to address the following:

- Media literacy for children & adults
- Creating media that demonstrates Conscious-Concern©
- The roles that media-influencers have in sponsorship and promotion of media
