CONSCIOUS MEDIA LITERACY TRAINING

Ava Montgomery is the founder of, Chief Considerations Officer (CCO) and principle consultant for Conscious Media Consulting, LLC (CMC, LLC). She is also the author of: ***"Listen-In! Watch-Out! Word-Up! A Guide to Understanding and Developing Conscious Media Literacy Skills".***

She is a recognized curriculum designer, trainer, and facilitator with well-rounded experience in community-capacity-building. Ava is an experienced Leadership Development Trainer for Corporate and Non-Profit business sectors.

Ava Montgomery has the knowledge, experience, and ability to speak with compassionate candor and diplomacy about media misrepresentations and narratives disseminated in media, by content-creators and media-makers.

She has an engaging written and verbal style of delivery that enlightens and inspires audiences to be interested in developing or enhancing conscious and comprehensive media-literacy skills for media-consumption and media-creation.

Ava demonstrates cultural and conscious competencies that help her connect with and engage her audience in meaningful discussions about media related topics.

No matter where your personal or organizational interests fall on the continuum of media influencers, Ava can customize an engaging training that meets your participant's needs.

Media influences everything and every field of business. Are you looking for an innovative professional development training for your team that is customized to your area of business?

Parents, Educators, Media-makers that create media on behalf of a company, or free-lancers who seek to demonstrate social consciousness in media-content, will be empowered by Ava's conscious Media Literacy Training.

Ava can customize a professional development training or workshop for your organization that includes information on:

- ✓ How to discern Dots Of a Narrative
- ✓ How to spot bias created through use of specific communication tools and strategies
- ✓ How certain terminology or using terminology in certain ways leads to biases in media
- ✓ The importance of acquiring basic Conscious Media Literacy skills for media-consumption
- ✓ And more!

CMC, LLC can design training/professional development workshops in the following manners:

- Half-day (4-hour) Training
- Full-day (8-hour) Workshop
- Multiple-day Workshops
- Break-out Sessions
- 60-90-minute Online workshops/training
