

Senior's Canadian Dental Care Plan

We are pleased to announce as of May 2024, our office is participating in the new Senior's Canadian Dental Care Plan (CDCP)

General Breakdown - The Canadian Dental Care Plan is a program established by the federal government to make dental services more affordable for our senior citizens! It includes a wide range of basic and advanced treatments, ensuring extensive coverage for oral health needs.

Eligibility - to ensure reimbursement, "seniors" (aged 65+) will be required to bring in their CDCP identification card.

This card serves as proof of eligibility for the Canadian Dental Care Plan.
