# 52<sup>nd</sup> ANNUAL VIRGINIA AVIATION CONFERENCE

## The Williamsburg Lodge

### 2026 Virginia Aviation Conference – Exhibitor Opportunities

Thank you for considering exhibiting at the 2026 Virginia Aviation Conference. This annual event is scheduled to take place August 19-21, 2026 at The Williamsburg Lodge in Colonial Williamsburg, Virginia. We hope to see you there!

The Commonwealth of Virginia has one of the best aviation programs in the nation, including funding for capital projects, maintenance, security, facilities and equipment installations and airport promotional efforts. The conference program is structured to provide exhibitors with quality access to the conference attendees. The event typically draws airport owners and operators from throughout the state. Additionally, the conference is well-attended by airport consultants (architects, engineers, planners) and contractors who regularly work in the airport industry. Finally, representatives from the Virginia Department of Aviation, the Virginia Aviation Board and the Federal Aviation Administration are typically on-hand throughout the conference.
