

Make the Summer of 2021 a *Season of God's Love*

Hate has dominated too long.

Resentment and hostility crush and divide people.

Only God's love can cure us. Divine love resembles

a many-faceted diamond that

beautifully refracts multi-colored true light.

We invite you to join us in learning the
healing, peace-making aspects of God's love.

1 Corinthians 13 prescribes the only cure

for the potentially fatal

Anger-Despair Pandemic we now suffer.

God's love is free and it frees all who bravely follow

Jesus' example of applying it.
