The first couple Adam and Eve,
Ate fruit that made the Lord grieve.

God warned them before,
That He'd "show them the door."
And surely, God gave them a heave.

See Genesis 3:6-24

Do you think that God was sad that day, too?

From Bad to Worse

The couple dealt with that curse.

Then matters for them got worse.

The ground grew thorns,

Adam's feet grew corns.

They could not God's curse reverse.

See Genesis 3:8-20

Do you know of other things that happened to Eve and Adam because they disobeyed God?

Kid Woes

On this matter, the Bible is plain.

In childbirth, Eve suffered much pain.

A baby was born,

And beginning that morn,

Adam and Eve began raising Cain.

See Genesis 3:16 & 4:2
