

Health and Safety Plan Summary: Clearfield Alliance Christian School

Anticipated Launch Date: July 9, 2020

Anticipated First Day of In-Person Instruction for 2020-2021: August 24, 2020

As we prepare and look towards the 2020-2021 school year, the health, safety, and well-being of our CACS staff, students, and families continues to remain a high priority. Our goal is to provide students/families with as much “normalcy” as possible while following all mandatory Covid-19 guidelines and taking into consideration the health and safety of everyone concerned.

As stakeholders in the CACS Community, we are providing you with the following summary of strategies and protocol developed with a focus on resuming in-person academic instruction in accordance with health and safety guidance provided by the PA Dept. of Education, Center for Disease Control, and PA State Gubernatorial recommendations.

Due to the evolving nature of the COVID-19 pandemic in regard to local and state Covid-19 case numbers, government recommendations or mandates, and the unknown aspect of future developments within the CACS Community environs during the course of the year, this Health and Safety Plan will evolve accordingly when necessary. Any revisions made to this Health and Safety Plan will be noted and dated with notification of updates being disseminated to the CACS Community through the school website, Facebook page, IRIS Alert, and SchoolWorx System. This plan is based on Clearfield County remaining in either the Green or Yellow Phase. Should the county see a reoccurrence to the Red Phase, a return to all instruction being provided through remote learning using a digital platform would commence.

Additional point to note: In erring on the side of caution, at this time all extracurricular activities including sports, field trips, concerts, school family events, and after school activities will be suspended until further notice. Our hope is to gradually reinstitute some of these areas; however renewal of suspended activities will be dependent upon the evaluation of numerous factors including CACS and/or local Covid-19 data and guidance from state and local health and safety authorities.

Facilities Cleaning, Sanitizing, Disinfecting and Ventilation

Requirement(s)	Strategies, Policies and Procedures
<p>* Cleaning, sanitizing, disinfecting, and ventilating learning spaces, surfaces, and any other areas used by students (i.e., restrooms, drinking fountains, hallways, and transportation)</p>	<ul style="list-style-type: none"> -Classrooms, hallways, restrooms, gym, cafeteria, student lockers, and auxiliary learning areas will be thoroughly cleaned and surface areas wiped with sanitizing/disinfecting solution prior to the start date of August 24. - Cleaning of floors, student desks, bathrooms, doorknobs and any high contact areas will be conducted daily and surfaces wiped with disinfecting solution. -Bathrooms will be cleaned 2x per day. -In addition to air exchange ventilation, exterior doors will be opened each day for a min. of 20 minutes following dismissal to permit the flow of fresh air into the building (weather permitting). -Drinking fountains will be inaccessible until further notice. Students will be encouraged to bring a personal container for water for the school day. - Bottled water will be made available.
