Dear Parents and Guardians,

As we continue to enjoy the beauty of fall, we also recognize that winter is just around the corner, and with it, the potential for snow days, delays, and other weather-related cancellations. We want to take this opportunity to share how CACS will handle these situations so that we can continue learning without extending the school year.

CACS will utilize **"Google Classroom Days"** on days when in-person classes must be canceled due to inclement weather. These days will count toward the required instructional days. We understand that changes to daily schedules can be challenging for families, especially when students may need to attend daycare or may not have reliable Internet access. To support all families, we will send home detailed instructions for each **Google Classroom Schedule**. These schedules are also posted on the **CACS website** for easy access.

If you have concerns about your child's ability to participate in Google Classroom Days, whether due to childcare arrangements, Internet availability, or other special circumstances, please contact the school office. We are committed to working with each family to ensure that every student can successfully complete their assigned work and remain engaged in learning during weather-related (or any unexpected) closures.

For our elementary students, we sent home **"Snow Day Packets"** which will be used by teachers for academic structure during Google Classroom time. These packets will provide meaningful practice and will count toward attendance when completed as directed. (Completed Snow Day Packets must be returned on the first day back after a Google Classroom Day.)

Students are expected to complete all assigned work and participate for the full school day during Google Classroom Days. If a student is sick or unexpected issues arise, such as loss of Internet connection, parents must call or email the school at office@clearfieldchristian.com by 9:00 a.m. or at the time of the issue. Without proper notification and reason, the absence will be considered unexcused. Three unexcused absences will result in a detention.

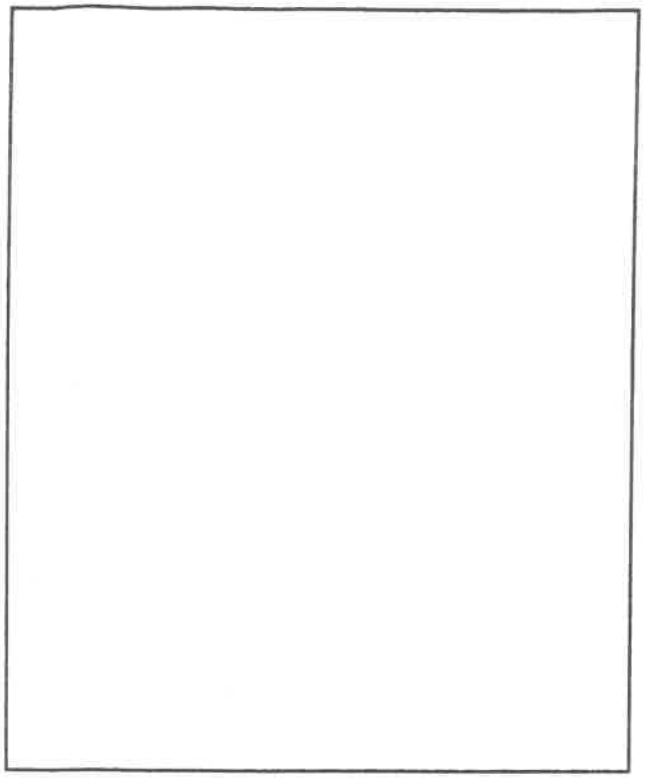

We know that snow days can bring both excitement and disruption, and we appreciate your patience and cooperation as we navigate the winter months together. Please don't hesitate to reach out with any questions or concerns. Our goal is to work alongside you to ensure your child feels supported, prepared, and confident--no matter the weather.

Best regards,

John Beem

Yearbook Ads

CACS has many great traditions. One of them is creating an annual yearbook providing students and their families with a visual reminder of all the great memories shared throughout the school year. We feel it is important that *each student* receives a yearbook. We are reaching out to you to help us make this happen.

Many of our CACS families, friends and families' friends own businesses and/or are involved with local organizations. We are offering our CACS community the opportunity to advertise in the school yearbook as we look forward to the successful completion of the 2026-2027 school year. Buying an ad is a great way to show your support for the staff and students at CACS as well as a fantastic way to build up your customer base and brand awareness in the Clearfield, Curwensville, Philipsburg, West Branch, Dubois, and surrounding Moshannon Valley areas. Compared to a newspaper ad which is in someone's home for maybe a week, a yearbook is a keepsake that is enjoyed for many years to come.

Feel free to share this form with local businesses, churches, civic groups, etc.

Please complete and return:
