

January 7, 2021

Dear CACS School Community,

We were notified today of a CACS student who has tested positive for COVID-19. The student was last in the building on Wednesday, January 6. All students who are deemed to have had Direct Contact with this student will be notified.

Due to the small environment and numerous shared learning and activity spaces within the CACS building, out of concern for the well-being of all students, staff, and CACS families we will be moving to our online Goggle Classroom learning platform beginning Monday, January 11.

While there will be no academic instruction tomorrow, students need to come to the school to pick up their books and other items. In order to promote social distancing, we have scheduled families during specific time frames for pick up. Please read the attached document which includes a Pick Up Schedule and detailed Pick Up Instructions.

Students are to log into Goggle Classroom each school day from January 11-15 and follow the Goggle Classroom Schedule used during previous virtual instruction days. We will return to in-person learning on Tuesday, January 19.

Our goal is to provide as much continuity of education as possible during these difficult times. We understand that the nature of the situation will continue to require flexibility as we move forward.

Please continue to monitor your well-being and those around you and contact the school at clearfieldchristian1@gmail.com should any Covid related situations occur.

Blessings and prayers ,

CACS School Board
