

SUMMER READING PROJECT

3RD GRADE

Students going into 3rd grade will be required to read one book this summer, but are encouraged to read more books throughout the entire break. The required book has been selected by your child's teacher, and will be used to complete a special project. After reading the story, students will create a "Shoebox Diorama". Specific details, expectations, and tips for a successful project will be provided along with this informational sheet and the required book. Please take time to review the "Shoebox Diorama" information and the attached grading rubric, as this will help guide your child through the process.

Students are asked to turn in their completed project during the first week of school. The "Shoebox Diorama" will be counted as a Reading grade.
