

Hello,

As we near the basketball season, I would like to ask each of you for your help. To raise money for the cost of referees and fuel for the bus, we offer a concession stand and charge admission to each home game. We need your help to make these efforts successful! I have created a schedule of coverage for the concession stand by listing players' names for the home games. If your child's name is listed, we are asking that a parent or grandparent assist that evening in the concession stand. We have attempted to have girls' parents serve during the boy's game, and boys' parents serve during the girl's game. I recognize that there are families with both boy and girl players, which makes it difficult to volunteer because you may miss a game. I have tried to spread out the responsibilities so that we are all able to enjoy most of the games. If you are unable to help on the assigned evening, you may switch with another parent. If you are unable to serve at any time due to other responsibilities, please contact me.

Finally, we have asked players to donate an item to the concession stand to help with cost (please see the list on the next page). Each player has been assigned an item to avoid overlap of donated items. We truly do appreciate your help! If you have any questions or concerns, please contact me.

Patty Michael
