## AWS ACCOUNT CREATION STEP BY STEP

### Step1 : Search aws free tier in google

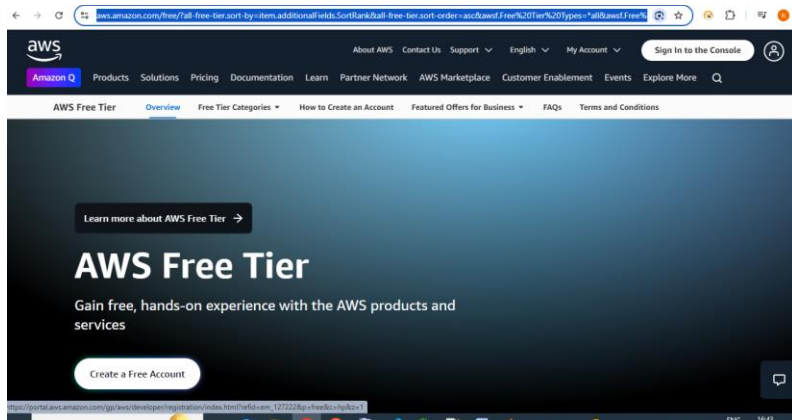

<https://aws.amazon.com/free/>

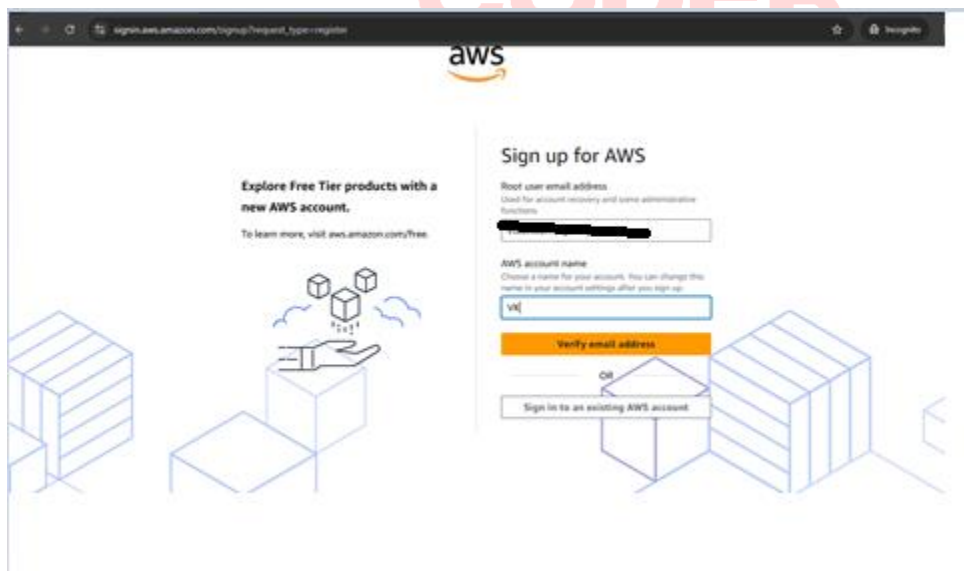

**Step2 :** click on create an AWS account

**Step 3:** click on create a free account as below

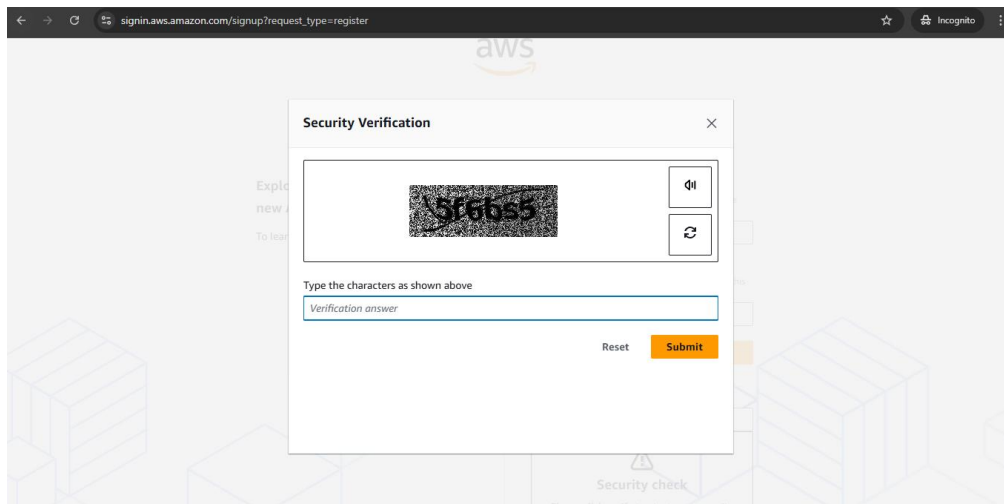

[https://signin.aws.amazon.com/signup?request\\_type=register](https://signin.aws.amazon.com/signup?request_type=register)

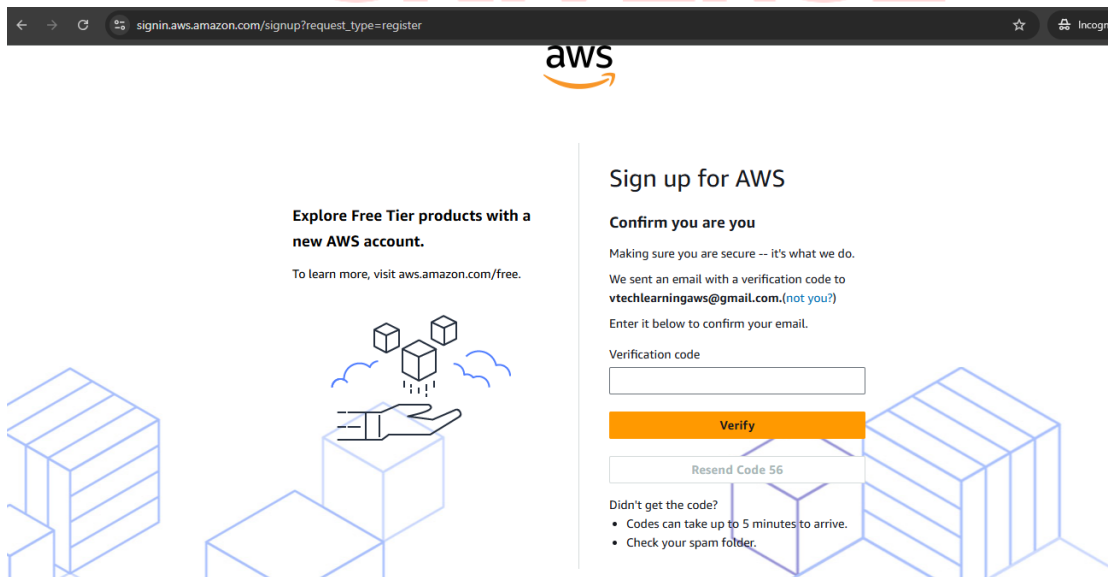

**Step 4:** Signup for AWS as below and use your personal email id and click on verify email address. You will get code over same email id.

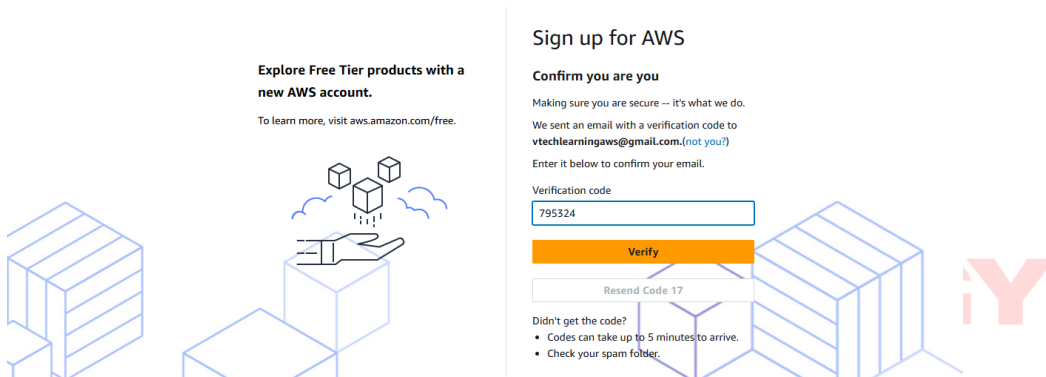

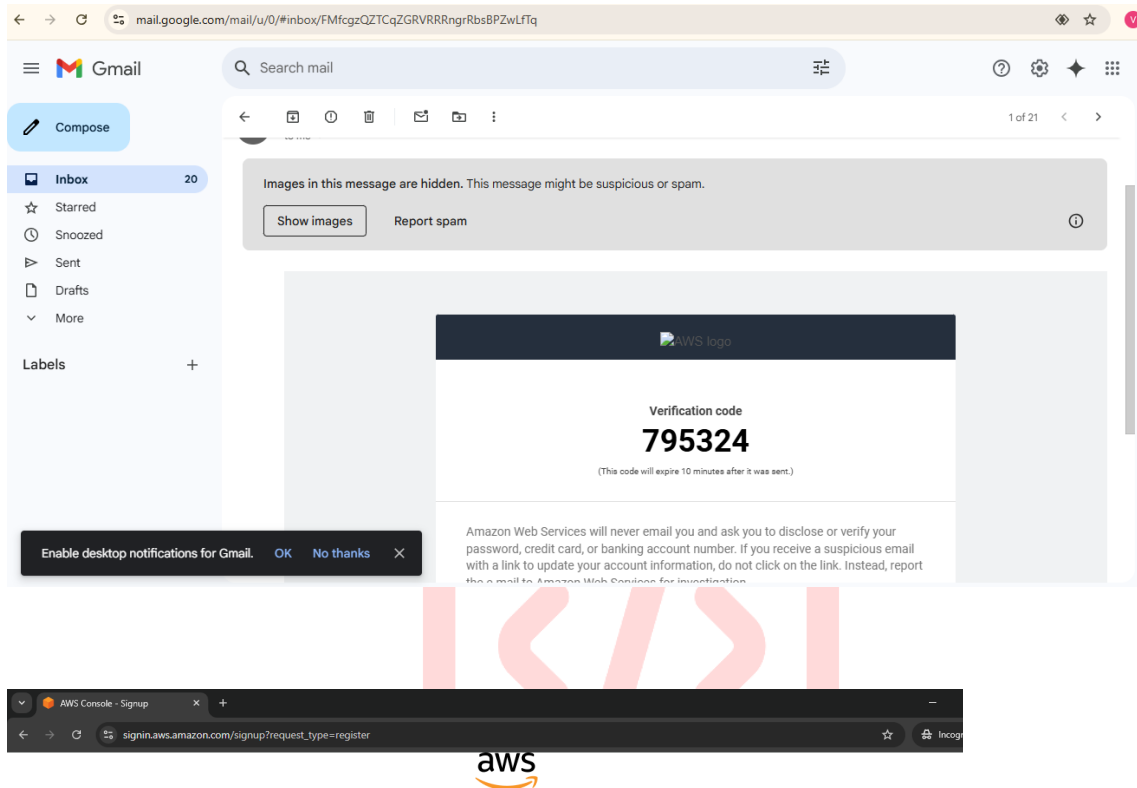

**Step 5: Enter the security captcha code which appear on your screen**

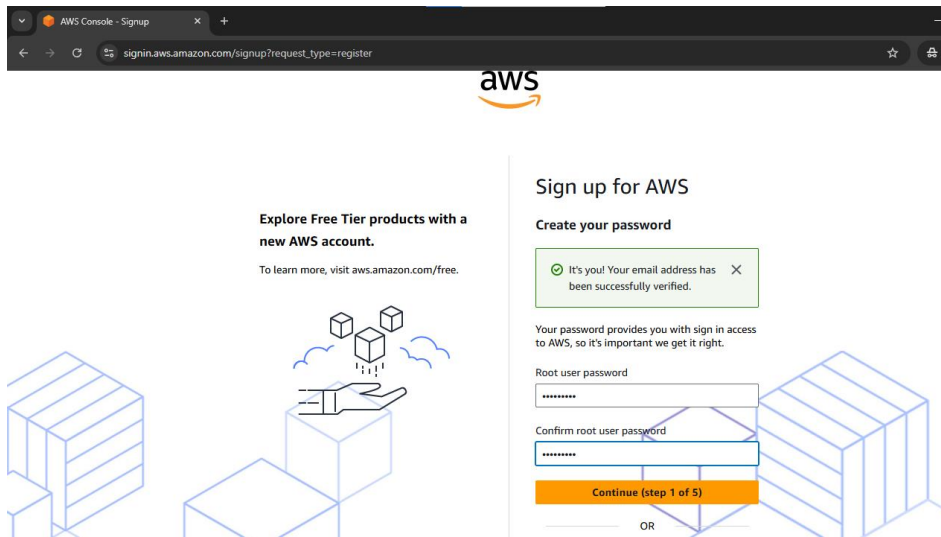

**Step 6: Enter the security code which you receive over your personal email id.**

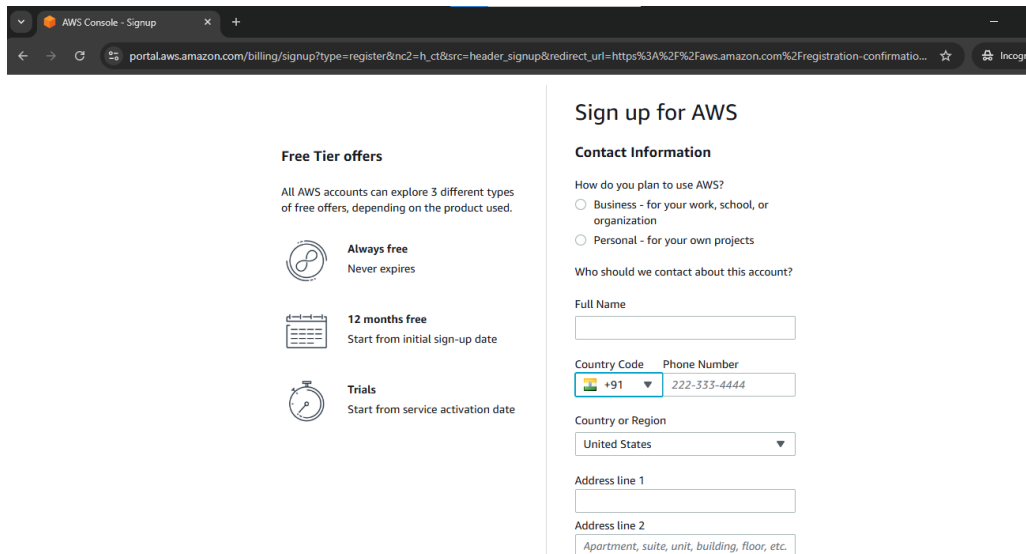

## Step 7: create an password as below

The screenshot shows the AWS Sign up for AWS page. The browser address bar shows the URL: `signin.aws.amazon.com/signup?request_type=register`. The page title is "Sign up for AWS". On the left, there is a section titled "Explore Free Tier products with a new AWS account." with a link to `aws.amazon.com/free`. The main content area is titled "Create your password". It includes a green success message: "It's you! Your email address has been successfully verified." Below this, there is a text box for "Root user password" and another for "Confirm root user password". A blue "Continue (step 1 of 5)" button is at the bottom. The background features a blue wireframe illustration of a hand interacting with a cube.

## Step 8: Provide your personal detail like name,phone number ,address etc as below

The screenshot shows the AWS Sign up for AWS page, Step 8: Contact Information. The browser address bar shows the URL: `portal.aws.amazon.com/billing/signup?type=register&nc2=h_ct&src=header_signup&redirect_url=https%3A%2F%2Faws.amazon.com%2Fregistration-confirmation...`. The page title is "Sign up for AWS". On the left, there is a section titled "Free Tier offers" with three options: "Always free" (Never expires), "12 months free" (Start from initial sign-up date), and "Trials" (Start from service activation date). The main content area is titled "Contact Information". It includes a section "How do you plan to use AWS?" with two radio buttons: "Business - for your work, school, or organization" and "Personal - for your own projects". Below this is a section "Who should we contact about this account?" with a "Full Name" text box. There is also a "Country Code" dropdown menu (set to "+91") and a "Phone Number" text box (set to "222-333-4444"). At the bottom, there is a "Country or Region" dropdown menu (set to "United States") and two "Address line" text boxes (Address line 1 and Address line 2).

Start from service activation date

Country or Region  
India

Address line 1  
Near Keshav Nagar

Address line 2  
Pune

City  
Pune

State, Province, or Region  
Maharashtra

Postal Code  
411036

Customers with an Indian contact address are served by Amazon Web Services India Private Limited, the local seller for AWS services in India.

☐ I have read and agree to the terms of the [AWS Customer Agreement](#)

Agree and Continue (step 2 of 5)

**Step 9: Enter your credit card details as below it is like verification.**

**Note: Always use free tier services for practice as suggested during sessions.**

Sign up for AWS

Billing Information

Billing country  
Your billing country determines the payment methods available to you to pay for AWS services.  
India

Credit or Debit card number  
[Empty field]

VISA [Logo] [Logo] [Logo]

AWS accepts most major credit and debit cards. To learn more about payment options, review our [FAQ](#)

Expiration date  
Month [Dropdown] Year [Dropdown]

Security code [Empty field]

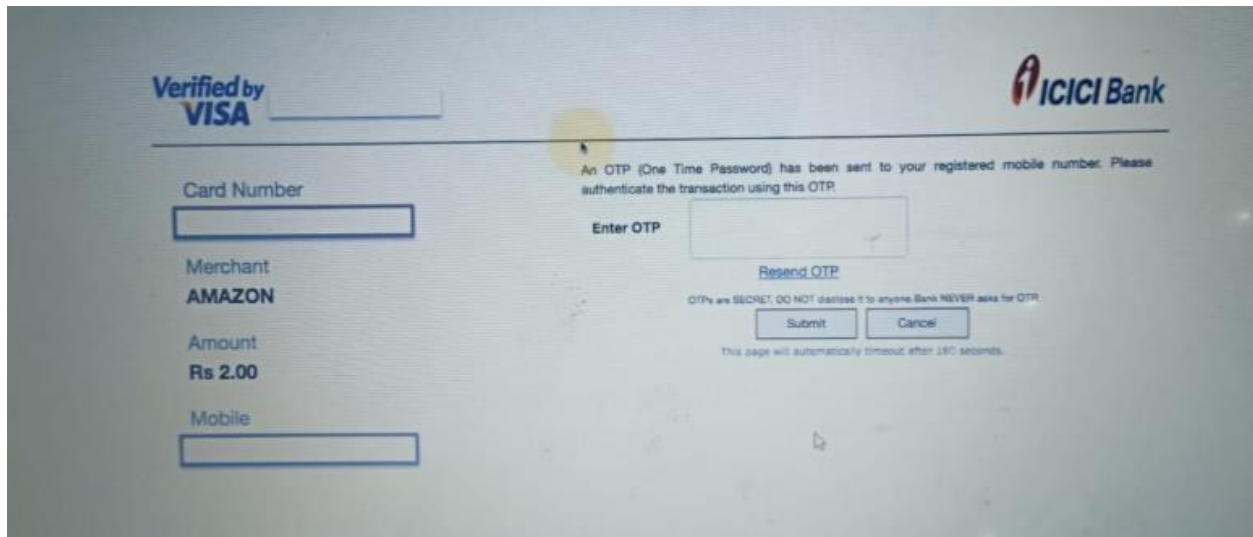

Secure verification

☐ We will not charge you for usage below AWS Free Tier limits. We may temporarily hold up to \$1 USD (or an equivalent amount in local currency) as a pending transaction for 3-5 days to verify your identity.

[Shield icon with checkmark]

**Step 10:** It will redirect to you on below page for OTP

Verified by VISA

ICICI Bank

Card Number

Merchant  
**AMAZON**

Amount  
**Rs 2.00**

Mobile

An OTP (One Time Password) has been sent to your registered mobile number. Please authenticate the transaction using this OTP.

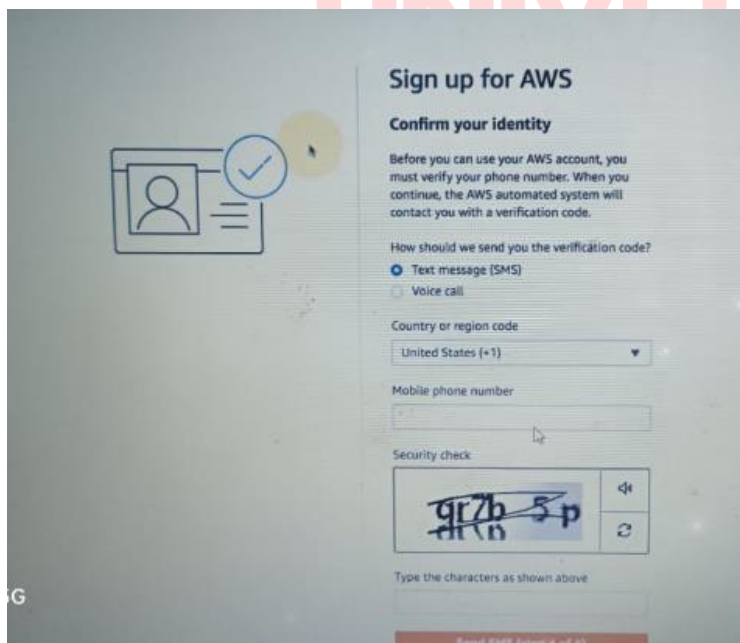

Enter OTP

[Resend OTP](#)

OTPs are SECRET. DO NOT disclose it to anyone. Bank NEVER asks for OTP.

This page will automatically timeout after 180 seconds.

**Step 11:** confirm your identity by adding same mobile number which you used and captcha information

Sign up for AWS

Confirm your identity

Before you can use your AWS account, you must verify your phone number. When you continue, the AWS automated system will contact you with a verification code.
