# School Board Election

## May 2022: First Official School Board Election!

As a new charter school, we have operated with a founding board of appointed members. It is time to have our first school board election.

**We are calling for Three Rivers Montessori Charter School Board Candidates to apply and will have our school board election on May 17, 2022.**

If you, or someone you know, can spare a few hours a month (5-10 or more), we'd love for you to consider joining our board. It's a rewarding experience, and you'll be helping to ensure the future of our school, furthering Montessori education and making this high-quality education method available to all families in our community.

**Anyone is welcome for consideration to serve on the board.**

- Any General Parent Members (no special skills or experience)
- *Financial Management Skills Especially Desired*
- General Community Members

Please consider someone in your family, or spread the word to someone in the community that is willing to serve on the Three Rivers Montessori Charter School board. **You can apply on our website at <https://threeriversmontessori.org/policies> and look for the Application to Serve on TRM Board.**

*Thank you & have a great rest of the school year!*
