COVID-19 UPDATES

The Three Rivers Montessori Board of Directors Special Meeting on 9/29/21 produced some significant changes to COVID-19 protocols at TRM while maintaining certain current protocols to keep students learning in person in a healthy environment. The changes were made to ensure TRM is providing an exceptional learning opportunity for your children while keeping the physical and mental health of students at the heart of decisions.

MASKING

The current masking policy stands. Masks are optional for students and staff. Individuals who wish to wear them are strongly encouraged to do so.

ADDITIONAL PROTOCOLS

TRM will continue to conduct temperature checks upon arrival. We also ask families to screen for more common and less common symptoms detailed in the “ready for school” protocols below.

Individual classrooms will continue to function as “cohorts” to limit exposure for students and teachers.

CLOSE CONTACT COMMUNICATION - WHAT YOU WILL RECEIVE IF THERE IS A POSITIVE CASE IN THE CLASSROOM (STUDENT OR STAFF MEMBER)

[YOUR CHILD’S NAME] was identified as a close contact with someone who tested positive for COVID. Your child’s last date of contact with the positive case was [DATE OF CONTACT].

Your child is not required to quarantine at this time and may continue to attend school provided no symptoms of illness are present.

If your child exhibits any of the symptoms listed on the Ready for School protocol (attached below) before [14 DAYS FROM DATE OF CONTACT], please keep the child home, call in an absence to the school, and consider having the child tested for COVID.

If you choose not to have your child tested for COVID, your child must stay home until all symptoms have resolved. If you choose to have your child tested for COVID, your child should stay home until the test result is known. If the result is negative, your child may return to school as soon as symptoms resolve and your child feels well enough to return. If the test is positive, your child should isolate for 10 days from symptom onset and may return to school after the isolation period is complete and the child feels well enough to return.

Please contact TRM at 763.595.1213 with questions.

COVID-19 UPDATES

TRM “READY FOR SCHOOL” REQUIREMENTS

Updated 9/29/21

Three Rivers Montessori School requires parents and guardians to evaluate their child(ren) daily BEFORE sending them to school.

If the school is notified of a positive COVID-19 test result and your child(ren) is identified as a close contact (defined as within 6 ft. of the individual for 15 minutes or more throughout the day) parents/guardians will be notified and may decide whether to have their student(s) stay home as long as they are symptom free (based on the protocol below).

Students with symptoms MUST stay home based on the protocol below. If a student has a positive COVID-19 test result, please notify TRM administration immediately.

Individuals who test positive will complete a 10 day isolation period at home. 10 days starts the day after the onset of symptoms or the date of a positive test result if asymptomatic.

If your student(s) has been exposed (via the close contact definition) to another individual who has tested positive for COVID-19 and your family chooses to quarantine, please monitor your child for symptoms and see the symptom protocol below.

TRM SCHOOL BOARD & SUBCOMMITTEES

The TRM school board is currently an interim board. Board Elections will be held in the spring of the year 2022. At this time we are looking for board members and subcommittee members of different skill levels to help the school facilitate its goals of being financially fiscal and an authentic Montessori school with an environmental focus.

We ask that all board members attend a virtual monthly board meeting held on the third Tuesday of each month. This meeting begins at 7:00 pm and generally runs until 9:00 pm, as well as any special board meetings. In addition to attending the board meeting we encourage all board members to serve on a subcommittee. This is where board members can spend an additional two to eight hours a month on subcommittee activities.

For more information see: <https://threeriversmontessori.org/board-%26-meeting-schedule>

We are always looking for parents who would like to help shape and lead future events.
