

THREE RIVERS READS

Weekly Edition - Friday, November 19th, 2022

Sign in Policy fo ALL

A reminder that the policy is for all non-employees to sign in on the computer located in the front between the hours of 6am and 6pm (students on site). We

do our best to enforce this and understadn it can appear that this may not be happeining with all families, we assure you it is. We will soon have staff badges that all staff will be required to wear and be visible. We have many contractors and other people on site who support our students each day as well, please know these policies are in place on reccomendation of MDE, our Authorizer, and local law enforcement and to ensure your children are safe and secure each day. Thank you!

Educational Benefits Form

You may see a form come home, please take some time to complete and return to TRM. The data supports "Compensatory Education Funding" which we can't receive without this information. Please reach out to Connie or Antonio with any questions. Thanks for your help with this.

No School

Reminder, we have **no school** on Wednesday, November 23rd through Friday November 25th.

TRM offices will also be closed on Thursday and Friday, November 24th and 25th with all messages being returned on Monday, November 28th

Cold Weather Wear

As winter weather continues, please label your children's coats, boots, snowpants, and hats and mittens/gloves. We do our best to keep things organized, but lost items still happen from time to time.

Lost and Found

Our lost and found items are located in the front vestibule, please check here for any missing items. We cycle out and donate any left over items every 3 weeks.

Kuklok's Corner

Greetings, TRM families.

I am happy to say I am back and was at 100% this week. The energy of the students and the buzz of the building made my transition back all the more magical. As we all know the big news this week was the weather. It looks like winter wants to set in hard and fast this year. We appreciate your patience as we pivot and adjust to meet the needs of students, staff, and families. We currently do not have a maintenance person on staff so clearing sidewalks, getting the drive alley salted, and clearing up any slick spots takes an orchestrated effort. As always, please reach out if you notice any areas of concern throughout this winter season.

TRM students remained toasty inside the walls of TRM. The Birch room students are energetically preparing for their Winter Market, an online boutique of hand crafted items that they have created! We will be doing a soft launch soon and if the interest is there will look at expanding this online store in the future. It has been amazing to see the students apply math, literacy, science, and other subject areas into applicable and real world projects. The excitement and passion they have shown has been so fun to watch. In our Maple room, our K/1 students have begun practical life skills in the form of "coffee work". Students take orders from staff by hand and then work to create the order with support from their lead teacher and Educational Assistant (EA), they then deliver the coffee order on a "fancy tray" to the person who made the order. The way their faces light up when you acknowledge the courage and hard work they put in to make this all happen is priceless.

We are truly starting to see our dream of authentic Montessori instruction come to life in tangible ways at TRM. We hope that you find some time for connection and family togetherness during the Thanksgiving break.

My best,

Antonio Kuklok - Executive Director and Principal
