Is your Local
Organization having a
Fund Raiser Event?

- Carnivals
- Street Fairs
- Casino Nights
- Food Truck Festivals
- Other Events

Placing an ATM at your
event will bring an increase
of cash flow and a portion of
the surcharge fee to help
raise more funds.

Call us or visit our website
today and let us show you
how having an ATM can
help your Organization's
Event.

Customer Convenience

Have cash ready for customers to access immediately:

Customers won't have to venture out to get cash. You'll have it for them to access right there. ATM card carriers and users spend as much as 20% to 25% more in a given location than traditional credit card users.

Attract more customers to your business:

Locations providing an ATM for public use increase the businesses foot traffic by an average of 5%.
