Head Coaches/Assistant Coaches are responsible for lining their field according to the schedule. You must have the fields lined by Thursday/Friday. This includes weeks when you may not have practice or a game (ie: rain outs and/or fields closed.) Please do NOT line on Monday/Tuesday, as they will have to be lined again for weekend games. If for any reason you can't line your fields, you must contact our Field Coordinator, DJ Nibouar, via email at FieldsGYSA@gmail.com, no later than Thursday of the week you are scheduled. Please do not ask your parents to fill in for you. The Field Lining Schedule will be emailed to coaches on Sunday evening by the Field Coordinator.
