Welcome to SAY Soccer

Soccer Association for Youth, USA would like to thank you for volunteering your time to coach a youth soccer team this season. We welcome you to the coaching world and hope you have a great experience this season.

SAY Soccer strives to educate all our coaches across the country so that players and coaches alike will have a great soccer experience. This manual, along with our online resources (saysoccer.org), is a great starting point for coaches.

SAY prides itself on giving children a safe, social, and FUN soccer experience. We want players to thrive in positive playing environments that emphasize good sportsmanship, encouragement, and fair play.

Some of you have played before, some have coached before and some of you are entering this soccer world for the first time. No matter your level of experience, know that SAY Soccer is working hard to make sure you have the most up-to-date, easy to access coaching resources.

While we hope that players develop soccer skills, improve their physical attributes, and increase their knowledge of the game; our ultimate hope is that players have FUN and return to the beautiful game season after season.

We hope that this coaching manual helps prepare you for the season ahead. Wishing you all the best as you embark on your coaching journey this season. We are glad you are part of the SAY family!

Coach Code of Ethics

- ✓ Soccer is the players' game. The paramount concern of coaches is the holistic development, welfare, enjoyment, and safety of their players.
- ✓ Coaches bear responsibility for teaching their players to strive for success while playing fairly, observing the Laws of the Game and uphold the highest levels of sportsmanship.
- ✓ Coaches shall treat officials with respect and dignity and shall teach their players to do the same.
- ✓ Our opponents are worthy of being treated with respect. Coaches will model such respect for opponents and expect their players to do likewise.
- ✓ In both victory and defeat, the behavior of a coach shall model grace, dignity, and composure. Limit coaching from the sidelines and screaming at all costs.
- ✓ Preparation is key to having a successful training environment. Plan for all training sessions so that they are interesting, educational, and fast paced. Be prepared to teach and praise all members of your team accordingly.
- ✓ Coaches shall adhere to the highest standards and the regulations of SAY Soccer. Work hard to be a fun and professional leader that is respected by both players and parents.
- ✓ Coaches shall model inclusive behavior, actively supporting cultural diversity while opposing all types of discrimination, including, but not limited to, racism and sexism, at all levels of soccer.
- ✓ Coaches shall refrain from all manner of personal abuse and harassment of others, whether verbal, physical, emotional, or sexual, and shall oppose such abuse and harassment at all levels of soccer. No profanity or vulgar language.
- ✓ Coaches shall seek to honor those who uphold the highest standards and principles of soccer and shall use appropriate protocol to oppose and eliminate all behavior that brings disrepute to the sport - violence, abuse, dishonesty, disrespect and violations of the Laws of the Game and rules governing competition.

Protecting our Players and Coaches: Times Two Policy

Times Two Policy

All SAYAreas/Districts require no less than two adults (suggested as unrelated), per team to be present at all team functions such as games, practices, picnics, etc. No Exceptions!

NOTES:

1. The adults assigned can be a combination of coaches, parents, board members, etc.
2. While the focus of this policy is the child it also provides protection for the volunteers in case of misunderstandings
3. SAY National also 'recommends' that volunteers not provide transportation for non-family members.
4. We recommend that the adults are not related

As a youth-serving organization, SAY Soccer considers the safety and well-being of the youth in our programs a top priority. We prohibit abuse and strive to proactively address reports of this type of conduct, even if it means that someone will be embarrassed or upset. We want to hear about problems or concerns, and we will strive to act on them in a fair way in accordance with our policies.

We will report suspected abuse to the proper law enforcement agencies. All SAYAreas/Districts and coaches are subject to and must abide by all local and federal background check laws.

SAY National - Concussion Policy

The SAY National Concussion Policy consists of two very distinct procedures that are required for ALL coaches and officials regardless of their age and/or status (Head Coach, Assistant Coach, Head Referee, Assistant Referee, etc.). These procedures are designed to comply with legislation concerning concussion in youth sports.

STEP 1: Take a FREE online training course. ALL coaches MUST complete this training course prior to participating in any SAY activity whether it be a practice or a game.

There are two approved options for the FREE online training:

The National Federation of State High School Associations
Concussion in Sports – What You Need to Know

<http://www.nfhslearn.com/electiveDetail.aspx?courseID=38000>

The Center for Disease Control and their Prevention Heads Up
Concussion in Youth Sports Online training program

http://www.cdc.gov/concussion/HeadsUp/online_training.html#pa

STEP 2: Any athlete exhibiting signs and/or symptoms of concussion either during a practice or during a game MUST be immediately removed. This athlete MAY NOT return to play nor participate in any SAY activity on the same day that he or she has been removed (even if a written medical clearance is provided).

In addition, the athlete is not permitted to return to play or participate in any SAY activity until he or she has been assessed and received written clearance by a physician or by another licensed health care provider.

A Return-to-Play form must be submitted to the coach prior to allowing the athlete to participate in any activity with the athlete's team, whether it be a practice or a game.

U.S. Center For SAFESPORT

The U.S. Center for SafeSport is an independent 501(c)(3) non-profit organization focused on ending all forms of abuse in sport. They endeavor to make athlete well-being the centerpiece of the nation's sports culture through abuse prevention, education, and accountability.

All SAY Soccer coaches must successfully complete the SafeSport training every two (2) years. The required SafeSport training can be accessed at <https://bit.ly/2HzhMsb>. The access code will be provided by your district or league administrator.

SafeSport training needs to be complete:

- (1) prior to regular contact with the youth participants
- (2) within the first 45 days of the participating adult taking on the role giving the access to youth participants

SAY Soccer's reporting policy is designed to prevent abuse, including emotional, physical, and sexual, of amateur athletes participating in amateur athletic activities.

Familiarize yourself with reporting procedures by visiting SAY Soccer's risk management document located at www.saysoccer.org.

U.S. Soccer – Grassroots Pathway

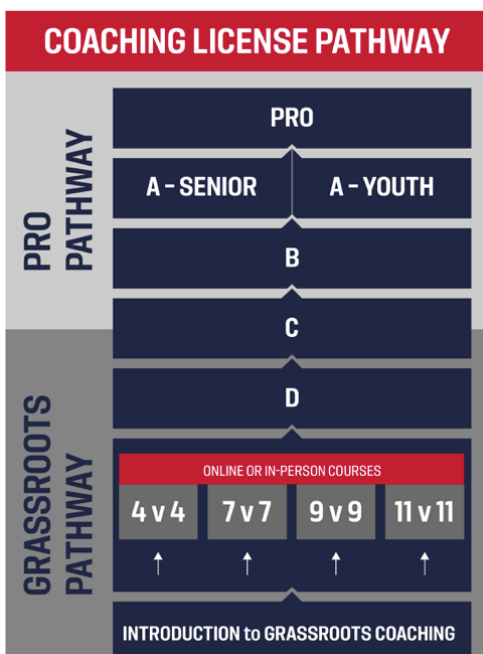

To further improve the grassroots soccer environment for both players and coaches, U.S. Soccer restructured the foundation of its coaching license pathway. The Grassroots Licensing Courses offer an a-la-carte approach meant to empower coaches with education that is relevant to their specific coaching needs.

The Grassroots Licenses help coaches ensure fun, enjoyable, and developmentally appropriate environments for their players. Prospective coaches will have the option to partake in any of these new courses – in any sequence – after completing a cost-free, Introduction to Grassroots Coaching Module provided by U.S. Soccer.

SAY Soccer highly recommends that you log into U.S. Soccer Learning Center, create an account, and take the **FREE Introduction to Grassroots Coaching Module**.

<https://learning.ussoccer.com>

The Introduction to Grassroots Coaching Module serves as the first step in obtaining any one of the eight Grassroots Licenses: four in-person courses and four online courses across the four grassroots levels: 4v4, 7v7, 9v9, 11v11.

The eight course options relate directly to small-sided games and the respective age-groups outlined in the U.S. Soccer Player Development Initiatives.

Competency Based Coaching

United Soccer Coaches: Competency Matrix

Competency based coaching suggests performance improvements are acquired progressively – meaning, competency in basic skills and knowledge must be achieved before progressing to more complex skills and concepts. The Competency Matrix helps coaches to know when players should be ‘introduced’ (-) to a skill/concept and when players should be expected to demonstrate ‘competency’ (+)

This is a great tool to help coaches recognize the skill sets that should be introduced, practiced and mastered at each age. It also is a guideline to know what activities are age appropriate.

“If you have grown up on the soccer fields or this is the first time that you have ever been around the game - THANK YOU! Thank you for taking the time to educate yourself to be a great coach this season. Without parent volunteers, thousands of kids would not have the opportunity to play this season. Enjoy the experience. Use this manual to guide you through the season. Most importantly have fun!” – Erika True
