

# SA Jr. High E-Day (Snow Day) Assignments

**Language Arts - 6th, 7th, 8th: HAPPY SNOW DAY!** Choose ONE story starter and respond with TWO paragraphs (6–8 sentences each) using vivid, creative words. Grammar is a must (spelling, punctuation, capitals ect..) . This assignment may be typed in a Google Doc or neatly handwritten. **It MUST be emailed to me ([sgarguilo@stantschool.org](mailto:sgarguilo@stantschool.org)) no later than 3:15 today to receive credit. If you chose to handwrite it, turn it in on the first day we return to school. Happy writing!**

1. When you blew out the thirteen candles on your birthday cake, the flames didn't disappear—instead, they leapt off the cake, formed into tiny fiery dragons, and began circling your head, waiting for your single wish that could change everything.....
2. A mysterious package arrived on your doorstep with no return address—inside was....
3. You have just five dollars to your name, and you decide to spend it on lunch at your favorite fast food joint. Just as you're about to pay, a boy not much older than you leans in and whispers to you, "Hold onto your money. I'll show you how to turn that five dollars into five grand." I was intrigued, so I listened and then....
4. I was sitting on a park bench when suddenly an old man handed me a small pink box with a giant bow, the next second he disappeared. I opened the box and to my surprise I saw...
5. I opened the front door to find an Amazon driver standing on my front porch, in his arms he held a cylindrical package that was almost as tall as him. The next thing I knew.....
6. I peeked through the curtains. There was a limo parked outside with two bodyguards. I heard a knock at the door...
7. Your class gets a substitute teacher who seems normal—until she takes attendance and pauses at your name. "Ah," she says quietly, "so you're the one I've been hearing about..."

## **Math - 6th, 7th, 8th**

***ALL*** 6th, 7th, and 8th grade E-DAY math assignments are in ***Gradelink*** with PENDING status and will be graded on a LETTER grade basis when complete. Each assignment consists of (1) ***Sourcebook*** Reading & Note-Taking in Math Journals, including at least TWO example problems, and (2) completing the ***Workbook*** worksheets attached to the assignment in ***Gradelink***. Students will have to download and print (or copy by hand) the ***Workbook*** worksheet problems (see ***Gradelink*** description for assigned problems), and turn in their work on the day they return to school.

## **History/Science - 6th, 7th, 8th**

***ALL*** 6th, 7th and 8th grade students: Research the opening of Ellis Island on January 1, 1892. Write three paragraphs summarizing what occurred on that day. Turn in the paragraphs the first day back at school. If you have any questions, please call me or email me at [tburchett@stantsschool.org](mailto:tburchett@stantsschool.org)
