

4th Grade E-Day (Snow Day) Materials

Happy SNOW DAY Kiddos :)

Students must complete one activity from each bullet point for each snow day. All snow day assignments must be turned in. Snow day assignments are in place of school and will be recorded as incomplete if not turned in. Please return this sheet with a parent's signature and the required work.

- MATH - Play math games for 15 minutes (*found at www.coolmathgames.com, www.education.com, www.boddlelearning.com or abcya.com*) or review math fact flashcards. Focus on multiplication facts! Word problem practice too!
- READING - Read for 20 minutes and then write a paragraph (5-6 sentences) summarizing what you read. Use complete sentences, correct spelling, grammar, and punctuation. This paragraph does not have to be written in cursive. Neatness counts!
- SPELLING - Practice our weekly spelling words. Write each word 5 times. Pick 4 words and use them in a sentence. ALL new spelling words will be in Gradelink in case we have a snow day on a Monday.
- VOCABULARY - Practice your vocabulary words. *All vocabulary and spelling words have been handed out and are on Gradelink.*
- WRITING - Pick one of these topics to write about:

What did you do on your snow day?

Who is your favorite Saint? Discuss why you chose this Saint.

What is your family's favorite dinner and why?

If you could have any pet in the world, what would it be? Why?

If you had one million dollars, how would you spend it?

What job would you like to have when you are older, and why?

What would it be like to live with an elephant? What would you name them?

Each paragraph must have 6-8 sentences. Use complete sentences, proper grammar, punctuation, correct spelling, and WRITE THE PARAGRAPH IN CURSIVE. Neatness counts. Take your time, please.
