

# 1st Grade E-Day Assignments

**Choose one Reading, one Writing AND one Math Assignment. The pencil and paper assignments must be completed and turned in once they come back to school.**

Draw a picture. Write 4 sentences about the picture. **(Writing)**

Spend 15 minutes reading a book at home. **(Reading)**

Write about what you did on your snow day. It must include sentences with details. The paper should have at least 5 to 10 sentences. **(Writing)**

Practice addition problems with 2 dice. (*do 10 to 20 problems*) **(Math)**

Practice even and odd numbers with skittles or m&m's (*or anything you can count*). Get 10 - 20 items, have the student group it into 2. Say a number, have the student put that many out. Have him/her tell you whether it's even or odd. Have him/her write the number down and write if the number is even or odd. **(Math)**

Example: 3 - odd

Get a handful of coins from your change jar, separate into different piles of coins. Count with a parent. Ask questions like: how many ways can make 10 cents, 15 cents, 20 cents, 25 cents, etc. write down on paper what you did. **(Math)**
