

1st Grade - Week 1

Dear First Grade Families,

We are starting our At-Home learning this week. I have tried to create a packet that is self-explanatory and easy to use. The main packet has 5 worksheets per day and is labeled at the bottom to indicate Week # and Day #. I have included week 1 days 1-5. Only four days need to be completed (this week). There is a 3 week calendar which I encourage you to check off daily as work is being completed. We cannot accept any work physically being mailed back so at this point I am relying on parental/caregiver support in making sure the work is completed. In the future I will have online options for submitting work.

For this week only: We are asking someone come to the school and pick up a bag that has your child's work. In this bag I have included the assigned packet for this week along with many additional and optional activities to be used throughout the whole time we are learning at home. Please come to the school Tuesday anytime from 7am-6pm. It is important to come and pick up your child's bag because this is the only time I can get these extra materials to you.

Please don't hesitate to contact me if you need anything.
Thank you!

Mrs. Freeman
