

St. Anthony 22nd Annual Golf Tournament October 9, 2020

Dear Friends, Supporters and Golfers,

Due to Covid-19 pandemic this year's golf fundraiser will be quite different than years past. **The good news is that we plan to hold the event as planned on Friday October 9 at White Mountain Country Club.** However, due to the pandemic we will have scheduled tee times for the players and no pre-event sales, field sales and after event gathering.

The rules for the players are the following:

- Players must pay in advance prior to Friday October 9th.
 - Players can also purchase Mulligans, Pro Drop and 50/50 Raffle Tickets in advance.
- Player foursomes will be scheduled a tee time.
- Players are to show up at the Pro Shop **ONLY** at their scheduled tee times and **MUST WEAR A MASK** until they arrive at their first hole.
- Players will play the course and when they finish the course - **Please Put Your MASKS back on** when arriving at the pro-shop and leaving the facility.

Thanks to your great support over the years, we have continued to grow our event and increase our fund-raising revenue. I am pleased to announce that thanks to all of our GREAT SUPPORTERS we have just surpassed another major milestone and now have over \$500k in our DEBT-Free Capital Campaign building funds and hope to exceed \$600k by years end!

Despite this pandemic, we are not slowing down in our quest to build - in fact, we recently hired an architect to start the design phase of our building project and we want to continue our efforts to raise the funds to break-ground on our Phase-1 building project within 2-3 years (gym, lower grades, bathrooms, administration)!

To make this year's tournament another successful fund-raising event **I am asking all player Foursomes or Twosomes to please consider pitching in together to purchase a Gold, Silver, or Golden Eagle Sponsorship.** Your generous sponsorships and donations will help us continue our quest to raise the much-needed funds to meet our goal to build in 2 to 3 years!

For our non-player supporters, your donations, or sponsorships have helped us achieve great success in our overall fund-raising efforts! **Your generous support once again** will help us reach our goal to surpass \$600k by years end!

St. Anthony School is grateful to all our players and supporters who make this event such a success! We are thankful to the White Mountain Country Club and their staff for hosting this important fundraiser and we ask that ALL players respect their guidelines to help keep their staff, members, and guests safe!

With your help, we will play through the COVID-19 hole and continue our quest to build a new quality facility in support our White Mountain Community Families for generations to come!

Stay Safe & God Bless,

Jerry Moran
