Developing your child's mind, body, & soul

Dear Friend of St. Anthony School,

On October 7th, 2022, St. Anthony School is hosting their 24th Annual Golf Scramble at White Mountain Country Club. The proceeds of this event will go toward our capital campaign to build a new PreK – 8th Grade school.

We are now in our 17th year, have 160 Pre-K through 8th grade students, and are debt free. Due to our successful growth, we are nearing our maximum student capacity. The monies raised at this event will help fund our capital campaign to build a new school facility with larger classrooms and a very much-needed gymnasium.

The success of this event depends largely on the generosity and support of the many friends of St. Anthony School. We hope you will consider supporting us in our efforts to continue our growth and expansion in support of educating our community youth.

The students, families, faculty, and board of Saint Anthony's would like to thank you in advance for considering a donation of merchandise, services, or fulfilling one of the sponsorship opportunities. We look forward to another successful event and hope that you will help us continue to offer an enriching educational opportunity for a growing number of children in our community.

Thanks again for your generosity and help in supporting this important event!

With sincere gratitude,

The Students, Parents, Faculty, and Board Members of St. Anthony School
