

4th Grade - Week 2 Packet (3/30/20)

Hello 4th grade Students and Parents! Hope you are all doing well. We are trying to make this transition as easy as possible. Please know that I am always available for questions! I check my email throughout the day, and will get back to you as soon as possible. The materials that you picked up at school will be the materials we will be using daily. I will not be sending anything through email for them to complete. I am also counting on parents to grade assignments. I will be checking in with you at the end of the week to get the grades and will put them on Gradelink. We will be sending out a link next week so we can meet virtually. Miss you all and you continue to be in my prayers!
