

# 4th Grade Math - Week of April 27th

Hello Parents,

Here is the info for next week. Have your child complete Math lessons 100-103. I will plan to review for the test at our Tuesday meeting. Give them the attached test on one of the days after Tuesday. You choose. :) Please grade the math test or send to me. I need to know all of their grades on the tests only. Please give the fast facts test (*power up test*). Here is the link to our Tuesday Zoom meeting as well. I appreciate all that you do! Hang in there!

Mrs. Kittle
