

Jr. High Math - Week 2

I hope everyone is doing well. I miss all of you!

Next week, your assignment will be to complete Lessons 81, 82, 83, 84, and 85, **odd problems only** in your Written Practice books. These are new concepts so we will have online lessons everyday so I can teach you. We will be using Zoom, and I will send you a link to the meetings to your email. We are waiting for confirmation from the company so look for an email invitation from me in a few days.

These 5 assignments will be **due on Friday, April 3 at 3:00 p.m.** Remember that each student should have access to the answer key to check their work upon completion.

Our scheduled online meeting times **Monday - Friday** for Math class are as follows:

9:00-10:00 a.m. **Algebra**

10:00 -11:00 a.m. **Math 3** (8th grade Math)

11:00 a.m.-12:00 p.m. **Math 1** (6th grade Math)

12:00 -1:00 p.m. **Math 2** (7th grade Math)

In addition, I will have an open question time in the afternoon available for students who need help on their assignments. I will let you know next week about the times for this session. We will discuss your needs and concerns in our class meetings.

I'm looking forward to seeing your bright, shining faces next week, virtually:)

Love,

Mrs. Fogle
