

Jr. High Math - Week of April 27th

Dear Junior High parents and students,

I need to cancel our Zoom meetings tomorrow because my family is going hiking for my son's 19th birthday. He is home from college for the weekend. I will teach Lesson 98 on Monday so it won't be due until next Friday.

Next week's assignments:

Lessons 98, 99, 100, 101, and 102 odd problems only

98-101 will be due Friday, May 1 and 102 will be due on Monday, May 4.

Have a wonderful weekend!

Love,

Mrs. Fogle
