

PreK - Week of May 4th

Dear Parents and Pre-K students,

I am sorry I did not get a chance to contact everyone this week.

I hope this means you are able to play outside a little more now that the weather is warming up.

I am confident the lessons are going well, you should be on home learning packet #3 this coming week.

Here is a new sight word list.

- Mom
- see
- I
- can
- like
- to
- Dad
- what
- we
- and
- my
- now
- love

I will be filling out the report cards in the near future and I would like your input on how your child is progressing.

Enjoy these beautiful days!

Talk to you soon.

Love and prayers,

Mrs. Sedillo
