ST. ANTHONY SCHOOL TO GIVE BACK TO LOCAL CHARITIES

JERRY MORAN
ST. ANTHONY SCHOOL
DEVELOPMENT DIRECTOR

At St. Anthony School, an important part of our curriculum is our community service program. Starting as early as PRE-K our students learn of the need to help others, our Second Grade through Eighth Grade students help at our local charities and our families are involved in activities or donation drives that help support various community service organizations.

This year, due to the pandemic and the increased needs of our local charities, we have decided to **GIVE BACK 50%** of all Golden Eagle Sponsorships to three local charities we serve: The Love Kitchen located in Pinetop, The Salvation Army located in Lakeside and the St. Rita Parish Food Pantry, which supports the poor, located in Show Low.

On Friday, October 9, St. Anthony School is holding their annual golf scramble at White Mountain Country Club. This year, golfers will be scheduled tee times and even though we will not be able to gather with our great supporters, we are looking forward to another great fund-raising event!

Proceeds from this event, after all distributions and expenses, will go toward our Capital Campaign-Building Fund. Our "A TIME TO BUILD" Capital Campaign has already raised \$500,000 and we hope to surpass \$600,000 by years end.

St. Anthony School located in Show Low, opened in 2006 and we offer a PRE-K thru Eighth grade faith-based quality education to families living in the White Mountain communities. This past June, St. Anthony School earned Full Accreditation from the Western Catholic Educational Association.

We are now in the early design phase to build a new school facility. Once built, the new facility will include a much-needed multi-purpose gymnasium, administrative space, and increased classroom capacity, which will allow us to increase our student enrollment from 160 to 200 students.

We are grateful for your support of this year's event -- as a player, sponsor or by donating. Your generosity in sponsoring a Golden Eagle will help support St. Anthony School and some of the great charities we serve.

St. Anthony School is a non-profit 501C organization. To learn more about St. Anthony School and find out how you can help, please contact us at (928) 537-4497 or email admin@stantschool.org. Sponsorships and donations can be mailed to St. Anthony School P.O. Box 789 Show Low Arizona 85902.
