*Developing a Child's Mind, Body, & Soul*

---

SA Staff & Families,

With Governor Doug Ducey's recent announcement that all schools in Arizona will be closing their facilities for the rest of the 2019/20 school year, St. Anthony School will also be following this recommendation. All school facilities in the Diocese of Gallup will be closed for the rest of this school year.

Although our facility is closed, I can assure you that **learning will continue!** Our teachers have been working tirelessly to create and maintain an at-home/e-learning framework for our students. They will continue to do so through the end of this school year on May 29th. On Wednesday, April 1st I will send out our monthly newsletter that will contain much more information. Next week I will send out an invitation to participate in an online meeting for any families that may have questions.

I would like to ask that you keep our school, staff, students, and families in your prayers. This is an unprecedented time with many unique challenges so we need to continue to be hopeful, prayerful, and focused on where we can find God in all of this. Our motto at school is to "Find God in All Things". Let us continue to do that and be open to God's will.

Please feel free to contact me with any questions. God Bless!

**Bryan Yorksmith**
