Developing a Child's Mind, Body, & Soul

SA Families,

During our school facility closure, we ask that all of our students continue their learning process by working with their teachers to complete school work from home. I would like to thank our staff for working hard to prepare materials for our students. We are launching a modified E-Learning/At Home Packet framework that will help continue the learning process for our students while working from home. We will transition into this slowly and we appreciate your flexibility and understanding. You should be receiving an email from the teachers with information on how to move forward. Please feel free to contact them with any questions.

I will be opening the school tomorrow, **March 24th, from 7:00 a.m. to 6:00 p.m.** Someone from your family is welcome to come in and pick up materials during this time. Please adhere to the following guidelines for material pick up:

- Only 1 person should enter the building(s) to pick up materials.
- Please sanitize your hands prior to entering (*there will be sanitizer available in each building*) and upon leaving.
- All doors will be OPEN so please try not to touch anything while at the facility.
- Please maintain a 6 foot buffer from all other people.
- Please retrieve your child's materials as quickly as possible.

PreK - 3rd Grade Main Building

All materials/supplies are on the student hooks that are labeled with your child's name.

4th - 5th Modular Building

All materials/supplies are on top of the student desks. The classroom doors will be OPEN.

6th-8th Modular Building

Doors to the classrooms will be OPEN. Please retrieve the materials/supplies that your teachers instructed you to retrieve. Students may need to do this if they need to get something out of their locker. All Jr. High students are welcome to take their Chromebook and charging cord home if they need it. Please remove the Chromebook with their name on it and carefully remove the charging cord from the charging cart.

If you cannot come and pick up materials tomorrow, please contact Mr. Yorksmith at byorksmith@stantschool.org to make other arrangements.

Developing a Child's Mind, Body, & Soul

I have created a new page on the school website at: www.stantschool.org titled [E-Learning & At Home Packet Resources](#)

We will continue to update this page as we move forward. Each Friday we will email out updates and resources for the following week.

Next week, some of our classes will launch online meeting opportunities for our students. More information about this will be sent out on Friday.

We truly appreciate your flexibility and patience as we move forward. Please contact the teachers with any specific questions that may arise. I will be at the school and available for phone calls from 9:00 a.m. - 3:00 p.m. Monday through Friday. Please feel free to contact me with any questions.

God Bless & we pray for a quick end to the pandemic.
