Developing your child's mind, body, & soul

2021-2022 School Year

Dear Friend of St. Anthony School,

We need your help!

On October 8, 2021, St. Anthony School is hosting their 23rd Annual Golf Tournament at White Mountain Country Club. The proceeds of this event will help us to further the vision of providing a faith-based education with an emphasis on academic excellence to the youth in our community. We have students from all over the White Mountain area.

The success of this event depends largely on the generosity and support of individuals and businesses in our local community. We are in our 16th year of operation and the monies raised will go directly to our Capital Campaign Fund. We have plans to build a new facility to serve our ever growing student population.

Please consider a donation of merchandise or services for our prizes and raffles or sponsoring a hole. We are looking forward to another successful event and hope that you will help us to continue to offer an enriching educational opportunity for a growing number of children in our community.

Sincerely,

Bryan Yorksmith
Principal
