Developing your child's mind, body, & soul

St. Anthony School Mission/Vision

Mission

Our mission is to educate each child academically, physically, socially, and spiritually in a Christian context. We seek to instill moral integrity within each child. Working together as a cooperative community each child will be prepared for secondary and higher education via a school environment that fosters love and respect for God and others.

Vision

- *To create an independent PK-8th grade Catholic school that emphasizes excellence.*
- *To focus on teaching strong fundamental skills.*
- *To establish a core curriculum which also teaches children how to learn.*
- *To provide a safe learning environment that will nurture the holistic growth of all students via a Catholic-values oriented setting.*
- *To develop students so that they will go naturally into the service of helping others.*
- *To work as a community in our shared objective to provide a Christ-centered education for our students such that they may develop their individual relationships with God while growing toward their fullest, God-given potential.*
