

# **Boulder Lake Private Home Owners Association Meeting**

## **May 26, 2007 Doty Town Hall**

### **Meeting Minutes**

Boulder Lake Private Home Owners Association  
Meeting minutes

#### **May 26, 2007 Meeting Minutes**

President Paul Martin

Nancy Romsos read the meeting minutes and treasury report. Motion was made, and all accepted the Minutes and Treasury report as read.

#### **Old Business:**

- **Lake Monitoring/Chemical Testing**

Jim Tilkens reported that he and Fred Matthwig continue to conduct the test and report to the state. This is the fifth year of reporting results. The clarity is down, but the lake level is low and this may affect the clarity. Boulder Lake is rated as having moderate clarity by the state

- **Oconto County Lakes and Waterways Update**

A written summary of the spring meeting was handed out and major points were covered. Lake hours between the Lakes in the county need to stay consistent to aide in the enforcement of the wake hours.

- **Invasive Species-Website**

Mark Dodge has been investigating a web domain for the association. When the website is up, the newsletter will be posted along with the information on the Clean Boats/Clean Waters program.

Nancy Romsos and Paul Martin will take over the scheduling of the volunteers for the program. The hours will be cut from 4 to 3 hours. The privately owned boat ramps have verbally approved monitoring of their ramps.

- **Lake Birds Update-**

1 pair of loon is on the lake and the female is nesting. Loons are protected and need to be given a proper amount of space by all boats and people. 2 Eaglets are again in the nest

- **Lake Grants**

It was decided to forgo lake grants for a shed for the Federal Campground and continue to store materials for the Clean Boats program at Martins dock.

- **Best Practices**

Property owners need to continue to be aware of the chemical use near the water.  
Informational flyers were distributed.

**New Business:**

- **Election of Secretary/Treasurer**

Nancy Romsos was re-elected to a second term

- **Venetian Parade**

The parade will be July 7, 2007.

- **Summer Party**

Donna and Al Schmdt volunteered to host the summer party.

- **Newsletter/Website**

By-annual newsletter is a requirement to apply for grants. Mark Dodge and Paul Martin will look into posting the letter on a website.

- **General Information from the Township**

Burning Permits are required for non-recreational burning

Information on rules for the landfill were distributed

A new cell tower is to be built and should improve service

Town of Doty will be building a new town hall and fire station.

The Meeting was adjourned at 10:25.

Minutes respectfully submitted,

Nancy Romsos, Secretary/Treasurer
