DRIVERS TOURNAMENT

POWERED BY  **United Rentals**[®]

GRAHAM & COURTNEY RAHAL FOUNDATION

The Graham and Courtney Rahal Foundation is a 501(c)(3) tax-exempt charitable organization led by IndyCar driver Graham Rahal and his wife, former NHRA Funny Car driver Courtney Force. Rahal initiated the Foundation in 2009 to carry on the philanthropic efforts of his former team owner, the late actor Paul Newman.

Each year, the foundation hosts the GCRF Drivers Tournament, powered by United Rentals the week leading into the Indianapolis 500, drawing participants from across the country to raise awareness and money for veterans organizations and cancer research!

Supporting numerous non-profits over the last decade, the Graham & Courtney Rahal Foundation has donated over \$2 million to causes close to the Rahal family's hearts.

WHO WE SUPPORT

GRAHAM & COURTNEY RAHAL
foundation

One Cure

The Flint Animal Cancer Center opened in 2002, but its work began in the late 1970s with Dr. Stephen Withrow and Dr. Ed Gillette at Colorado State University. At a time when few diagnostics or treatments existed for animals with cancer, they believed cancers in pets—especially dogs—closely mirrored those in humans. This led to the foundation of comparative oncology, using naturally occurring cancers in animals to advance treatments for both pets and people. Their early work, inspired by human medicine, grew into one of the first major veterinary cancer programs, driving new therapies on both fronts.

One Cure is rooted in the belief that cancer affects all species, and that collaboration between veterinary and human medicine leads to breakthroughs. The Flint Animal Cancer Center's mission is to improve cancer prevention, diagnosis, and treatment for pets while advancing knowledge that also benefits people.

Funds from the Graham & Courtney Rahal Foundation support Dr. Dan Regan's Losartan Trial, conducted with the Dow Laboratory. The research studies how the drug losartan affects tumor development in mouse models and in dogs with naturally occurring osteosarcoma. Early findings have already led to a Phase I clinical trial in human osteosarcoma patients at Children's Hospital Colorado.

Turns for Troops

United Rentals has teamed up with racing teams across various disciplines to raise money in support of our racing veterans. For every lap one of their drivers completes at select races, United Rentals donates \$50 through their Turns For Troops program.

Donations will support veterans' initiatives as part of the Turns For Troops program. Since 2016, through the relationship with Rahal Letterman Lanigan Racing, each lap our founder, Graham Rahal, completes in the No. 15 Honda in the NTT INDYCAR SERIES United Rentals has committed to donating \$50 per lap through the Turns For Troops program.

To date, the effort has raised nearly **\$1 million** from laps completed, and almost **\$2.5 million** has been donated in total, with the addition of money raised from the annual GCRF Drivers Tournament and Vino For Vets fundraisers.

Soldier Strong

SolderStrong is an organization with a national profile that stands at the forefront of nonprofits dedicated to improving the lives of our nation's heroes through the donation of revolutionary medical technologies to VA Hospitals and other medical centers across the country. SoldierStrong provides rehabilitation devices known as exo-skeleton suits to aid injured and paralyzed veterans in regaining their ability to stand and walk again.

To date the organization has donated 24 exo-skeleton suits, with 20 of those devices going to VA Hospitals. Currently, 35,000 veterans have access to the rehabilitation devices. Recently the organization has placed an emphasis on mental health through their StrongMind program, which provides virtual reality hardware and software used in the treatment of post-traumatic stress (PTS) in veterans. 14 VA Hospitals across the country have access to the StrongMind technology.

CLOSEST TO THE PIN | SOLD OUT!

Sponsor our Closest to the Pin side game and have your logo displayed with a sign at the Closest to the pin hole and at the trophy table.

TOURNAMENT DONATIONS

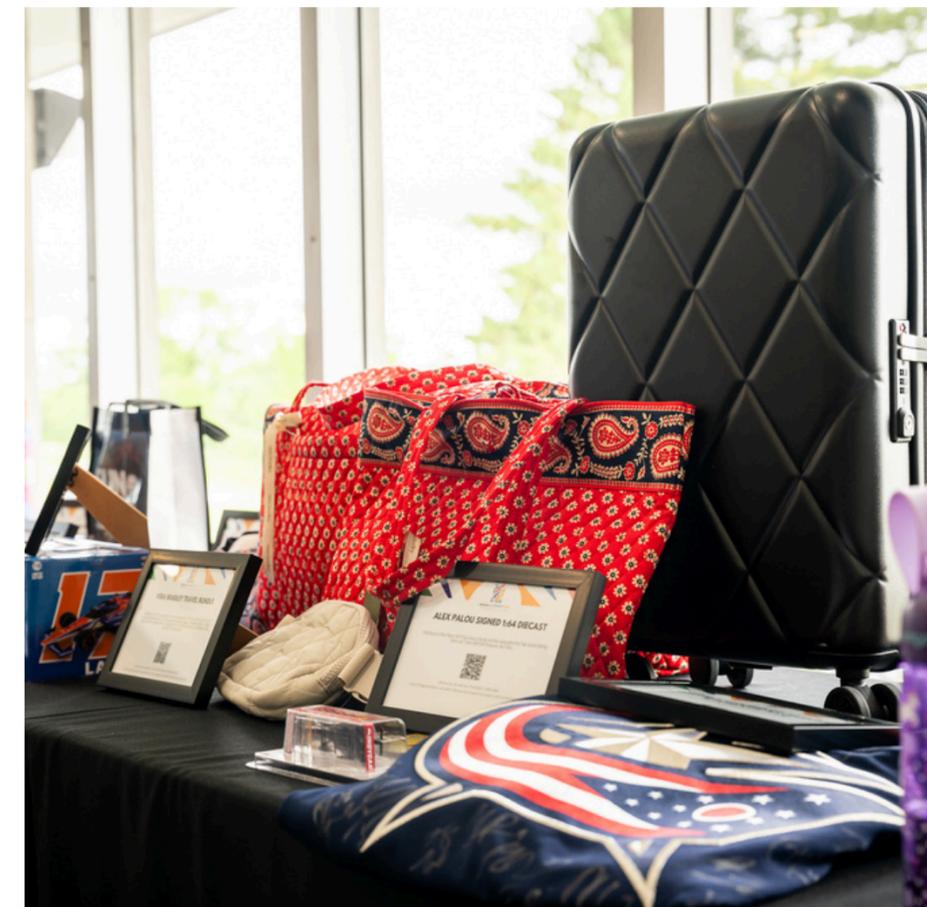

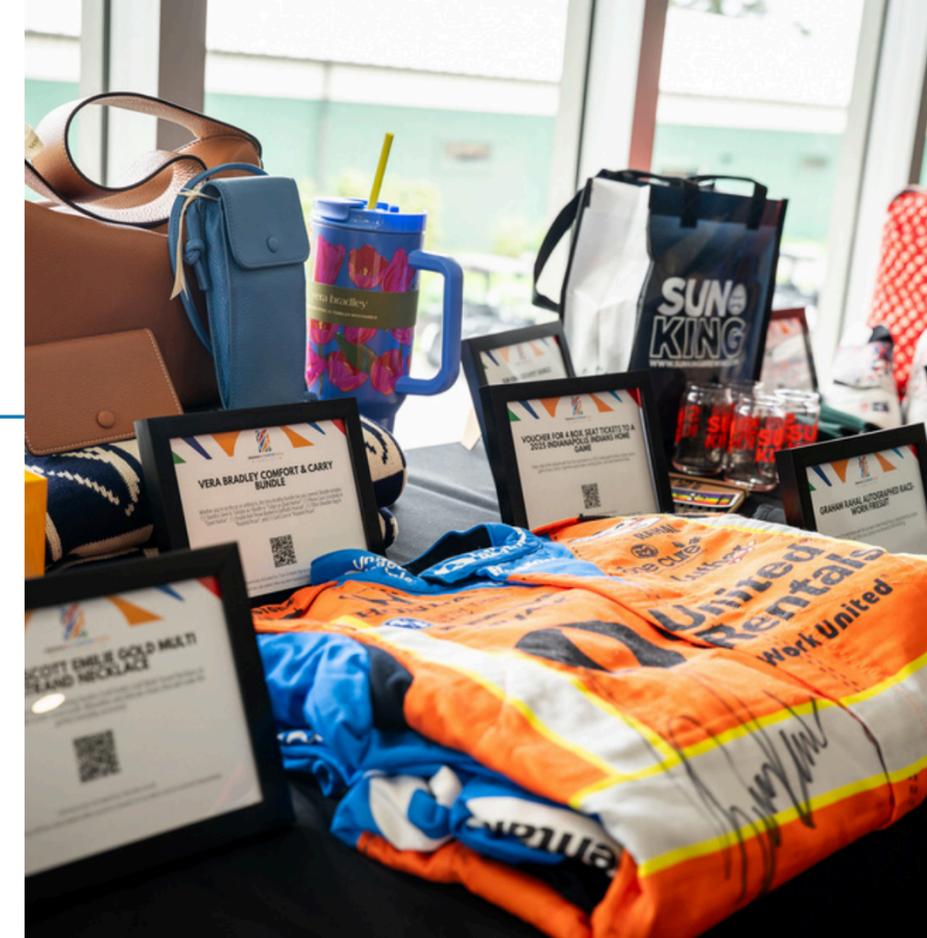

Auction Donations

In addition to raising money through the tournament, we also host an online auction that is open to the public. This allows those who were unable to participate in the tournament to still support a wonderful cause!

We accept a wide variety of donation items such as sports memorabilia, experiences such as tickets to an event, an exclusive tour or meet and greet, a vacation or stay at a vacation home, as well as various goods, jewelry, watches, gift certificates, etc. Our online auction is our biggest supplemental fundraiser to the golf tournament. Our guests who are on the course have a great time bidding against each other and driving up the bids to make the event an even bigger success.

Tax Deductible Benefits Available.

If you are interested in donating to our online auction, or have more questions, please reach out to ellie@grahamrahal.com.

Gift Bag Donations

Each golfer receives a gift bag for participating in the GCRF Drivers Tournament. Included in these gift bags are several items hand-picked by Graham and Courtney, along with various other items donated by sponsors, local businesses, etc. The gift bags are a great opportunity to market your brand, raise awareness, and showcase your product!

Tax Deductible Benefits Available.

If interested in donating items to the GCRF Drivers Tournament gift bags, please reach out to gcrf@gcrfoundation.org.

Vendor Activations

One of our golfer's favorite parts of the day is experiencing the vendor activations we have placed at each hole. Activations vary from small bits, desserts, sushi, mixed drinks, beer samples from local breweries, etc. Another way for companies, particularly local and nation-wide brands, to showcase their product.

There is no cost to activate at a hole aside from the expenses incurred to bring your product. Tax Deductible Benefits Available.

Please reach out to gcrf@gcrfoundation.org if you are interested in activating at a hole during the tournament.
