

Diane's Cleaning Service has become one of our top performing contractors in our apartment building construction company since being hired in early 2019. We have found them to be very accommodating and flexible with our schedule and our needs. They are an excellent value and typically do whatever it takes to get the job done right and on time. Diane personally oversees all activities and insures that we receive consistent quality each and every time. Diane and all other members of her crew have been courteous and respectful to us and others on the site. We are looking forward to a busy and productive 2020. Diane's Cleaning Service will be making us all look a little better and a lot cleaner!

Respectfully, Bruce Taylor
