

5 W'S FAMILY PRAYER TIME IDEA

By: Ella

Cut out the cards for the 5 W's below. Distribute them among the members of your family. If you have less than five people, keep what and why separate. You will take turns building a prayer based on the 5 W's and then everyone says "Amen" together. Pass the cards and take turns, so that everyone has a turn with each one of the 5 W's. Enjoy praying as a family and see what God puts on your hearts.
