

- 1 We can experience God's voice. We are His children and He wants to speak, we also need to listen.
- 2 Today we've got a mountain to help us think about prophecy.
- 3 Mountains are big, but God is bigger and when He speaks He is looking past the mountains.
- 4 God's words also carry meaning that goes beyond what we can see, like how a mountain in front can keep us from seeing a mountain in behind.
- 5 We're going to make a couple of mountains as reminders. Cut along the solid lines and then fold the dotted lines to make the mountain shapes. Glue the extra piece to hold the shape.
- 6 Slot the two half circles together.
- 7 Colour the bigger parts, but leave the smaller parts to be the snow caps.
