Garbage Cans

Garbage cans **MUST** be stored out of sight from the front of the house. Please make sure your garbage cans are not visible from the front of the house. No one wants to drive down the street and see garbage cans. Thank you.

Watering Schedule

In this intense heat, please water 6 days a week, never on Sunday. Your vegetation needs water to survive. If you see leaks in the common areas, please report to the guardhouse or the HOA. Thank you.

Construction Traffic

Please be aware that a new home is being constructed in the Enclave. We will have an increase in construction traffic, please be patient.
