

Dumpster/Toilet Request Form

While we no longer require a deposit, we do need a form filled out for our records. You can find this form on: www.countryclubhillsummerlinlv.com, Residents Update page. The form is called: CCH Construction Items Request. Please follow the instructions on the form. Remember, even though we don't require a deposit, you will be responsible for the cleanliness and any damage done to the street and surrounding areas.

Parties

If you are planning a party with over 20 vehicles, you must enter their names into the QuickPass system and supply the guard gate with a guest list. You must also provide an additional guard to ensure that the gate does not get backed up, preventing both CCH and Eagle Hills residents entry into their communities. It's too difficult for one guard to handle the regular flow of traffic and an additional amount of traffic. The minimum that Marksman will allow is 4 hours, which equates to \$123 in total for the additional 4 hours. The amount will be added to your account. If there are two parties on the same night, the charge will be split between the residents. Please notify us a minimum of 1 week prior to the party.

Coyotes

The coyote couple that live on the golf course has given birth to 9 pups. They are hungry and your small pets are in danger if left outdoors by themselves. Please be vigilant.

Palm Trees

It's time to trim the palm trees. The blooms can clog pool equipment. Please be kind and trim them.
