## Street Parking

Street parking is prohibited. Vehicles must be parked in your garage or on your driveway. You will be fined for street parking. If you have guests, they must have a green pass displayed in their vehicle in order to park on the street. Passes are good for 48 hours only.

## Uplighting in Longspur Park

We are excited to announce that in addition to the new trees that are going into the park, we are uplighting the cypress trees along the back wall. This will keep it well lit during the night as well as architecturally enhancing the park.

## Construction Timeline

The timeline for constructions is 180 days, (6 months). As the community ages, more and more homes are under construction so Country Club Hills has adopted the same timeline as Summerlin North. Please keep dumpster site areas clean and neat. Be kind to your neighbors.

## Next HOA Board Meeting

The next HOA Board Meeting is August 19th, 5:30 pm, TPC Summerlin. All homeowners are welcome. Please come and welcome the new advisory board.
