

Vehicle Washing

If you have your vehicle washed at your residence, please be kind to those around you and do so in front of your own home and please make sure that the area is cleaned up after the wash. Also, there's no vehicle washing on Sundays. Thank you for your consideration.

Street Lights

If you notice a street light out, please report it to the guardhouse or to this email address. We appreciate your assistance in this matter.

Turf Conversions

If you're considering a turf conversion, please remember that the plants around the mailboxes and electrical boxes must have irrigation run to them. A common mistake being made is that the turf conversion companies are not running irrigation to these area. This means that you, the homeowner, will be responsible for replacing them.
