

## **Thank You**

The Board would like to thank the residents that have made repairs to their walls. Thank you for helping us keep the community beautiful.

## **Watering Schedule**

Please turn your irrigation clocks to 3 days per week—Tuesday, Thursday and Saturday. We are experiencing high temperatures and your plants need the extra water.

## **Coyotes, Hawks and Owls**

These are the three main predators that hunt on our golf course. If you have small dogs, please do not let them outside alone. It only take a few seconds to lose your pet.

## **Elections**

You will be receiving your ballot by mail, so please vote. Thank you to all who submitted a candidate form.

## **Violation Letters**

Please be advised that violation letters DO NOT come from the HOA, but the management company. It is their responsibility to keep the community in good repair. If you have questions, please reach out to Taylor at [countryclubhills@tamhoa.com](mailto:countryclubhills@tamhoa.com)

## **Next HOA Meeting**
