

## COUNTRY CLUB HILLS COMMUNITY ASSOCIATION

Please complete the form below if a dumpster or portable toilet is being delivered to your address during construction.

**SELECT WHICH ITEM(S) ARE BEING DELIVERED:**

- Construction Waste Drop Box**
- Portable toilet**

**Reminder:** The property owner is responsible for all street asphalt damage, sidewalk damage, and/or any other common area damage resulting from the construction activity, portable toilet or use of a construction waste drop box (*or similar trash receptacle*).

Plywood squares or similar material at least 1/4" thick must be placed under the drop box rollers to minimize street asphalt or sidewalk damage.
